

SMITHSONIAN INSTITUTION.

S. P. LANGLEY,  
SECRETARY.

WASHINGTON, D. C., March 3rd, 1888

Mr. S. Watson,  
Herbarium of Harvard University,  
Cambridge, Mass.

Dear Sir:

I have yours of the 22nd ult., in reference to the number of volumes of his "Flora" that Dr. Gray had on hand, and asking what arrangements can be made for 100 copies-in sheets-<sup>four edition</sup>, etc.

Our edition is limited to our own needs. Dr. Gray thought of printing an edition at his own expense, but we had no orders in regard to it. As to the price of the book, it will be impossible to name any figure until we have the printer's bill. It will probably not be less than \$5.00, however.

Very truly yours,

*S. P. Langley*  
Secretary. *nr*
